Why Student Leadership (SL)?

If you are asking that question than you must be a tad bit interested! I am so glad you are showing interest serving the students of Fellowship Student Ministries.

FSM is looking for Sophomore, Junior and Senior students to **serve** those that are a part of FSM. **Leadership** is a choice, and it is one that I hope you'll make. An SL isn't simply a program or event to be a part of. It is not just for a select few. It is not just for the cute, fun or popular. It is not just for the extroverted and outgoing personalities. Being a **leader** is a personal commitment.

Commitment is key. The commitments that are the most meaningful are the ones worth keeping. Our commitments tend to show and determine our priorities and who we really are.

This booklet will help you understand the leadership commitment and its our goal that you'll reach this high stander. I am expecting much from our SLs because we want them to **implement** and **resemble Christ**.

Are you interested? Good! Continue reading to find out more! I pray and hope that you choose to make this **commitment to serve**.

What's the bible say?

Another great question you have asked. Asking questions is a great example of leadership. But so is listening. Look at *Matthew 20:25-28*:

Jesus called them [the disciples] and said, "You know that the rulers of the Gentiles lord it over them, and their high officials exercise authority over them. Not so with

*you. **Instead, who wants to become great among you must be your servant, and whoever wants to be first must be your slave** – just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.”*

Look at the highlighted part of the passages. Jesus is calling his SLs (the disciples) to go against what the world views as leadership. **Jesus is asking them** (and us) **to serve. To humble yourself** and **serve** those around you. We are looking for students who are willing to humble themselves and be a servant leader. Are you willing to do that?
